

dementia adventure®

Volunteer Role Description

Role: Activity Photographer

Role Summary: To assist our marketing team in gathering engaging and inspiring photos of our adventures, training and fundraising activities. These photos will be used to promote Dementia Adventure to individuals and organisations interested in finding out more about how to enable people living with dementia to get outdoors, connect with nature, themselves and their community, and retain a sense of adventure in their lives.

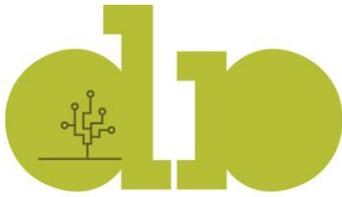

Time Commitment: This is an ideal role for those unable to give a set commitment each week. We ask for a willingness to represent us at a minimum of one activity a month. We will always try to give plenty of notice about upcoming activities.

Supported By: The Volunteer Co-ordinator (Hayley Dickson), as well as relevant members of the team coordinating the adventure, training and/or fundraising activity.

Location: Mostly out and about taking photos of activities in the local area but some tasks may need carrying out from home such as sending the photos to the Head of Marketing, PR & Communications.

Description of Tasks:

1. Taking images of our activities for general marketing use
2. Editing these images where appropriate
3. Sending the images to the Head of Marketing, PR & Communications
4. Assigning copyright of the images to Dementia Adventure, but credits will be used where necessary/appropriate
5. Deleting all images from the device/hard drive once the images have been sent and assigned to Dementia Adventure
6. Undertaking any essential training which is in line with Dementia Adventure's policies and procedures

dementia adventure®

Skills and Attributes

- Passionate about photography
- Experience of photographing people and events
- Able to work to a brief and follow organisational brand guidelines
- Good communication skills
- Organised and ability to meet deadlines

What's in it for you?

- The opportunity to support Dementia Adventure by capturing inspiring images
- The opportunity to develop new and existing skills
